IT Landes Company Welcomes Mike Snyder As Safety Director

HARLEYSVILLE, PA, (December 21, 2017) – [IT Landes Company](#), a residential and commercial HVAC, plumbing, and fuel oil services provider in Montgomery County, announces that Mike Snyder has accepted the position of safety director effective January 1, 2018. Snyder’s previous role was director of human resources for [HB McClure Company](#). Both IT Landes and HB McClure are divisions of [HB Global, LLC](#).

As safety director, Snyder will play a key role in developing and implementing programs to align safety goals with business objectives. Snyder will be responsible for establishing best practices to ensure safe, healthy, and accident-free work environments.

“Mike’s passion for our company and his field experience and knowledge in human resources and safety were just a few of the many reasons we felt he was the right person for this role,” said Melissa Ural, HB Global vice president of human resources. “We’re excited for Mike to take on this new role and set the tone for safety as we kick off 2018.”

Since joining HB McClure in 1988, Snyder’s titles have included residential service manager and training coordinator. Snyder currently serves on the board of directors for the Keystone Chapter of Associated Builders and Contractors. He also serves as VP of membership for the PA/DE Chapter of The ESOP Association and is a member of Human Resources Professionals of Central PA and Society for Human Resource Management.

Since 1929, IT Landes has provided professional, dependable, and affordable home comfort, fuel oil, and plumbing service and installation for households and businesses in Montgomery, Bucks, and neighboring counties. For more information about IT Landes, visit www.itlandes.com.
